By my signature below, I am affirming my understanding of the following items:

- My child is committing to being part of the 2019 Marquette Color Guard; therefore, I am responsible for full and timely payment of all fees and charges affiliated with that commitment.
- My child may not try out for or participate in the Marquette Winter Guard for the 2019-2020 year unless his/her account is paid in full for all current and prior year fees and charges.
- All rehearsals and performances are mandatory unless a student is excused by the director. Excused absences include but are not limited to illness, religious observances, family emergencies, etc. and will require a written statement from either a parent or doctor giving an explanation or reason for the absence. All written statements must be given to the director in a timely manner. Unexcused absences include but are not limited to work, college visits, doctor's appointments, etc. and will result in said student not being allowed to march in the next performance. With the addition of Flex Time into the daily schedule, there are plenty of opportunities to make-up tests, attend supplemental study sessions, etc. during the regular school day, rather than after school during rehearsal time. PLEASE NOTE: If a student has two excused absences from rehearsal within a one-week period, they may not be allowed to march at the next performance. This will be left to the director's discretion.
- A student who is late to rehearsal two (2) or more times per week will be considered unexcused. Please note the attendance policy for all unexcused absences.
- Marching Band/Color Guard is a demanding activity which requires a physical. Unfortunately, injuries do occur from time to time. If an injury impedes a student's ability to participate in rehearsal, a doctor's note will be needed to excuse them from participating. However, any student who is injured is still required to be at rehearsal.
